Dear Sir,

I enclose herewith a cheque for Rs.5/- as my humble contribution for the 81st birthday celebration of Mahamahopadhyaya Dr.V.Swaminatha Ayyar. I am afraid it will not be possible for me to be present at the meeting convened for Friday, 1st March, 1935, but I would like to make the suggestion that whatever other forms the meeting will decide upon to celebrate the event, the biography of the Mahamahopadhyaya in as full and complete a manner as possible may be undertaken and published at a moderate price, so that the Tamil world and those interested in it will be benefitted for generations. The biography might include notes by qualified persons on the value of the actual contribution made to Tamil literature by Dr.Swaminatha
